

Kids and Grands Scavenger Hike

October 3, 2026 10am – 12 pm

Grandparents (ok, parents too) bring the little ones (preschool age and up) for an exploration of nature right in town at the first Kids and Grands Scavenger Hike at Willow Tree Farm Conservation Area on Willow Tree Lane in Charlton.

Come and introduce the young ones (and maybe some old ones) to the beauty of nature, with a little help from the Charlton Heritage Preservation Trust.

The trail is a 0.3 mile loop (so don't worry about getting lost) on fairly level ground (no steep hills), so it is accessible to just about all.

Willow Tree Farm Conservation Area is at the cul-de-sac of Willow Tree Lane in Charlton. Street parking is available.

We will supply the nature bingo list and any guidance you need. You bring bug spray, water bottle, closed-toed shoes (no sandals or flip-flops) and your curiosity.

Park here at the cul-de-sac
